The first Window (landing page)

- This landing page will be viewed for 3 seconds and the next Window will open automatically

Dashboard Window

- You have 3 options to select, Planner, About, Exit
- If you select Planner, you will proceed to the budget planner window
- If you select About, you will proceed to the about window (more about this later in manual)
- If you select Exit, the program will close.

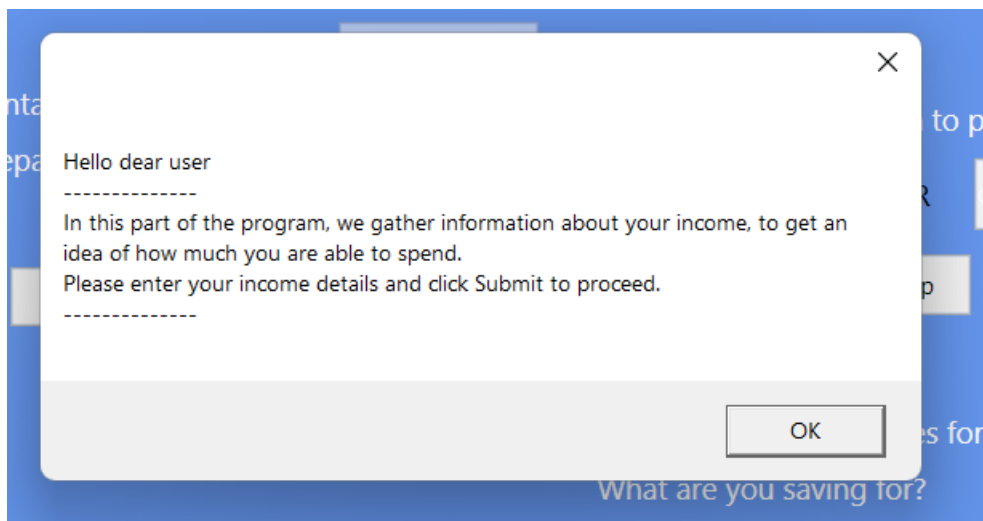

Budget Planner window

The Budget Planner window is divided into several sections for data entry:

- 1. Income:** Includes fields for 'Enter monthly income:' and 'Enter monthly tax deduction:'. It features 'Help', 'Clear all', and 'Submit' buttons.
- 2. Expense:** Includes fields for 'Enter the following expenses:' with sub-sections for Groceries, Water and lights, Travel costs (including petrol), Cell phone and telephone, and Other expenses. It features 'Help', 'Clear all', and 'Submit' buttons.
- 3. Accomodation:** Includes a field for 'Choose an option for accomodation:' with radio buttons for 'Rent accomodation' and 'Buy accomodation'. It features a 'Help' button.
- 3.a. Rent accomodation:** Includes a field for 'Enter monthly rental amount:'. It features a 'Help' button.
- 3.b. Buy accomodation:** Includes fields for 'Enter the following values for a home loan:' with sub-sections for Purchase price of the property, Total deposit, Interest rate (percentage), and No. of months to repay (btw. 240 and 360). It features 'Help', 'Clear all', and 'Submit' buttons.
- 4. Car option:** Includes a field for 'Please choose an option to proceed :'. It features a 'Help' button.
- 4.a. Buy a Car:** Includes fields for 'Enter the following values for vehicle financing' with sub-sections for Model and make, Purchase price, Total deposit, Interest rate (percentage), and Estimated insurance premium. It features 'Help', 'Clear all', and 'Submit' buttons.
- 5. Savings option:** Includes a field for 'Please choose an option to proceed :'. It features a 'Help' button.
- 5.a. Savings:** Includes fields for 'Enter the following values for your saving :'. It features a 'Help' button.

At the bottom right, there is a 'Dashboard' button.

- Throughout the program, there are Help buttons. When these buttons are clicked on, you will get help on the current grid you are working with:

- Throughout the program, the Clear all button can be used to empty the textboxes of the grid that you are currently working with.

- If you enter an incorrect value, you will receive an appropriate message and you may try again.
